

USNA 65 ANN HAND BROOCH SECOND ORDER REQUEST FOR INTEREST

Ann Hand has completed the design of the brooch and we have distributed the first order of 123 brooches. It is now time to sign up for the second order. We do not know the cost of the brooches on subsequent orders since the price of gold fluctuates, so we are merely developing a list of interested classmates. Once we have a sufficient number signed up, we will determine the cost and then you will make your decision and make payment. If you are interested, please email mikepprecht65@verizon.net and indicate your interest.

The Brooch can be worn as a pin, on an Omega or with pearls as shown below. This is another of Ann Hand's designs, but illustrates what it would look like with pearls.

The Brooch is 18 karat gold plate over silver. It is 1 5/8 inches high with our class numerals prominent.
